

Selected English-Language Bibliography of Interest for Hungarian Cultural Studies: 2023–2024

Zsuzsanna Varga¹, University of Glasgow

Abstract: This bibliography mostly straddles 2023–2024, covering the period since the summer 2023 publication of last year’s bibliography in this journal. Each year’s bibliography may also be supplemented by previously published items earlier not included. Although this bibliography series can only concentrate on English-language items, occasional items of particular interest in other languages may be included. For a more extensive bibliography of Hungarian Studies from about 2000 to 2014, for which this is a continuing update, see Louise O.
